Dear Valued Business Partners

Announcement of the abolishment of Green Partner Certification

Thank you for your kind support on Sony Green Management Activities.

As you know, since the launch of Green Partner program, the certificate of Green Partner has been issued to the certified Green Partner. However, we would like to inform you that the operation of certification will be changed as the following instructions.

Your continuous cooperation and support on environmental activities is much appreciated.

Best Regards,

Makoto Furuki

General Manager

Procurement External Relations Department

Procurement Business Promotion Division, Procurement Group

Sony Corporation

— Instructions —

1. The issuance of Green Partner Certification will be replaced by the "Notification of Green Partner Certification" from 1st, April.
2. The certificate issued on factory unit will be changed to the issuance on partner unit.
3. The notification will be issued by PDF file via email.

This change is aimed to prevent the fake certifications from being made.

Your understanding and cooperation on this matter is highly appreciated.
